***Our fall benefit dinner is Princeton in Africa's main fundraising event for the year. The funds raised provide a substantial portion of our program and operating budget, enabling us to send bright, hardworking, passionate young adults to support our partner organizations – and to provide them with personal and professional support throughout their fellowship year. If you believe in our mission to develop young leaders committed to Africa's advancement, and in the incredible work that our Fellows do on the ground in Africa every year, please consider donating at the highest level you can. Your generous support is greatly appreciated!***
